Dear Ms. Bruner: *Barb,*

Congratulations on helping to organize the math tutoring program that is a partnership with Elder High School and The Women's Connection!

Math is a difficult subject for many students, and the assistance offered by your tutors should make a big difference, not only in test scores but in how math is perceived by these young people.

As a member of Seton's Board, I am pleased to see that some of your tutors are from the school.

Keep up the good work, and please let me know if I can ever be of assistance.

Sincerely,

STEVE DRIEHAUS
